Sharon Bisher was elected president of the Hillsdale Woman’s Club for the upcoming year.

President Bisher treated the gravy to Bisher as new president. President joined past presidents on the dias. These funds will benefit may-profit organizations for scholarships or programs that benefit Hillsdale County residents.

The following organizations were awarded funding through the George W. Romney Endowment Fund:

• Community Action Agency, $2,000 for the VITA (Volunteer Income Tax Assistance) Program;
• Hillsdale County Library’s Office, $6,000 for the Hillsdale County Victims Services Unit.

Several area libraries also received funding from the Benge Library Fund and the Huron Hawkins Library Fund:

• Reading Community Library, $243 for the summer reading program; • Camden Town Library, $150 for a summer reading program; • Waldron District Library, $153 for the summer reading program; • Chestnut Hill Community Memorial Library, $210 for the summer reading program; • North Adams Community Library, $450 for the summer reading program; and $3,100 for a community open house;
• Pittsfield Public Library, $500 for craft form and junior audiobooks.

Two organizations received funding from the Healthy Senior/Healthy Youth Endowment Fund:

• Do’Chas Counseling, $5,190 for healthy living programs for teens, and
• McIver House-Veterans Program, $8,500 for financial assistance with participation in athletics for homeless students.

In addition, the Community Action Agency was awarded $1,143 from the James andAudrey McCull Building Fund to provide housing assistance.

Field of interest funds allow donors to support broad areas of interest, such as education, the arts, or youth services. The Foundation makes grants to the most appropriate programs or organizations within the specified field. While science directs a Field of Interest fund establishment from creation, the maintenance is left up to HCCF. HCCF’s professional staff continually monitors changing community needs so that donors can be sure grants made to the fund make the most impact in the specified field. The Foundation has identified field of interest programs or organizations within the specified field.
