**Breakfast Starts the Day Strong!**

Eating breakfast gives you and your child energy. Without breakfast, you and your child may feel hungry, making it hard to focus and learn.

Let them help you plan breakfast and set the table!
Breastfeeding

Every Ounce Counts

Breastfeeding is convenient!
Always ready, no bottles or mixing required.

Exclusively breastfeeding mothers and their babies receive extra food benefits.

Moms have the right to breastfeed their children anytime, anywhere. **It is the law in Michigan.**

What WIC Clients Say About Breastfeeding...

“As a new mom, I was scared and had lots of questions, but talking to a peer counselor made me feel confident about breastfeeding.”

“It was a way to be closer to my daughter when I went back to work.”

“My partner supported me by getting the baby ready and making me comfortable.”

Breastmilk has **more** of what baby needs

Infant formula increases the risk of sickness and childhood obesity.

Michigan WIC has Breastfeeding Specialists and Peer Counselors to provide breastfeeding support at no cost. WIC can help with any of your questions or concerns.
