Focus of Residents’ Efforts
Stopping Youth Violence

Citizens Concerned

The first meeting of a group of concerned citizens was held to address the issue of youth violence in the city. The group, which includes residents and community leaders, plans to work together to create a neighborhood plan to address this issue.

The group plans to work with the community action agency to create a community action plan. They are also considering the creation of a neighborhood watch program to help prevent further violence.

The group plans to meet regularly to discuss progress and to plan future actions.
